Seaside Park N. J.

You will be surprised to see that I am visiting in New Jersey having a lovely time, going in the ocean twice a day. Have been acting as secretary during the month of July and trips to Atlantic City, Wildwood and Seaside Park are thrown in. I like it best here. — Do hope you will be at home later than you spoke of, for I do so want to see you. Expect to be at Olivet Sunday week.

Lots of love,
Virginia.

P.S. Hope you had a wonderful summer. Hope you have enjoyed yours too.
